Marengo Funeral Home

Since **Marengo-Union Funeral Home** was founded, there has been one thought and direction - to serve the needs of our community in an honest and dignified manner, with trained and dedicated personnel. At Marengo-Union, we continue to perpetuate the ideals on which this business was founded. We are dedicated to compassionately serving families at difficult times, while celebrating the significance of lives that have been lived. We also help preserve memories that transcend generations with dignity and honor.

The building which is now the funeral home was originally owned by W.A. and Abigail Treat. Eventually the family moved to Cook County. We have records at our funeral home starting 1888 containing limited information. Throughout the years, Marengo-Union Funeral Home has acquired other records from local funeral homes that have closed their doors.

We offer many different benefits including family assistance portfolios and prearrangement planning with personal planning guides. Our grief management library features pamphlets and DVDs to help families through the grieving process. It is available at no cost.

Many families appreciate the variety of packages that we offer, with significant discounts and benefits such as our 24-Hour Compassion Helpline®, bereavement travel assistance, the Aftercare® Planner, legal services and child/grandchild protection.

“Life Well Celebrated” gives us the chance to help each family honor their loved one with personalized flavor. We can host a reception including a light meal, hand out mementoes, and present a personalized visitation and service. Our Dignity Catered Receptions are an affordable way to provide snacks or a meal without the additional stress on the family.

We also provide special discounts for VFW and Ladies Auxiliary members. Our general price list is available by phone, fax, e-mail or in person, and it features our current prices of goods and services. We would be glad to discuss all aspects of this list with you.

Whether your need is immediate or you wish to plan for the future, whether your preference is a traditional burial with a casket or cremation with an urn, we are ready to give you the best possible guidance and support. Please feel free to visit our location.

Marengo-Union Funeral Home is proud to be a member of the Dignity Memorial® network of funeral, cremation and cemetery service providers. Dignity Memorial providers offer exclusive benefits, including National Transferability of Prearranged Services, the Bereavement Travel Program, the 24-Hour Compassion Helpline® and access to an acclaimed grief management library. As North America’s premier provider of funeral, cremation and cemetery services, the Dignity Memorial brand is your assurance of quality, value, caring service and exceptional customer satisfaction.
