CALVIN SPENCER PARK

Calvin Spencer Park is a picturesque park boasting a Veteran's War Memorial, Purple Heart Memorial, memorials given in memory of loved ones and donations made in someone's name. There is a gazebo, brick walkways, manicured lawn and flower beds, picnic tables and charcoal grills.

The park is a city block, bounded by Van Buren Street on the north, Jackson Street on the south, Taylor Street on the east and Hale Street on the west. The land was donated in 1855, by Calvin Spencer, the first white settler of Marengo.

One distinction for the City of Marengo is that it has the only park named after a first male settler, Calvin Spencer.

To rent the park call Megan Lopez at City Hall (815) 568-7112.

MARENGO AREA SCHOOLS EDUCATION FOUNDATION (MASEF)

110 FRANKS ROAD, MARENGO IL 60152 • www.masef-il.org • (815) 568-6511, ext. 1333

Donations are always welcome and should be sent to the above address.

WHO ARE WE?

- MASEF – Marengo Area Schools Education Foundation
- A non-profit organization established in 1992
- A board of 15 dedicated volunteers
- Determined to enhance educational programs in all of our public schools - Districts 154, 165 & 18

The Marengo Area Schools Education Foundation was established in 1992 by a group of private citizens interested in providing the means to enrich and enhance educational programs and opportunities for our Marengo area public school students. MASEF's goal is to build an endowment fund, to exist in perpetuity, to benefit our three public school districts. Since 2005, over \$300,000 have been dispersed to the local school districts. Last year's dinner auction raised over \$37,000 and we were able to give back over \$26,000 to our schools.

Parents, educators, individuals, civic and social organizations and businesses have all made contributions to the Foundation. The money earned from the investments is distributed, according to our investment policy guidelines, to Marengo Community High School District 154, Marengo-Union Elementary Consolidated School District 165 and Riley Community Consolidated School District 18.

The MASEF Board is comprised of community volunteers who work tirelessly on the Foundation's behalf. Popular community-wide events include the recently retired Dinner & Auction, and Blooming Bingo and Challenging Trivia Nights.

If you are interested in making a donation, learning more, or for volunteer opportunities please visit our website, www.masef-il.org, and contact a board member

The City of Marengo is served by a 38-member fire department. The department's Station 1 is located at 120 E. Prairie Street in downtown Marengo. The Fire Station is manned 24 hours a day. The manpower is shared between the Fire Department and cross trained personnel from the Marengo Rescue Squad. Paid on call personnel respond from home for larger or multiple emergencies.

The Fire Department currently has 11 vehicles which include 1 Advanced Life Support (ALS) Engine, 2 Pumper Tenders, 1 Tender, 2 Brush Trucks, 1-100' Ladder Truck, 3 Command Vehicles and 1 Fire Inspection Suburban. Station 2 houses (1) ALS Ambulance from the Rescue Squad and 1 Pumper Tanker and a grass rig. The Department has 1 part time Fire Marshall involved with prevention, education, and inspection programs.

The District is 107 square miles and the second largest fire district in the state. The Department responded to 594 calls for service with an estimated fire loss of \$583,000.

Fire Department members participate in multiple community events. The joint association, Marengo Fire and Rescue Association host several fund raisers each year to sponsor high school scholarships and support the Illinois Fire Chief's Camp for burned children.

UNION FIRE PROTECTION DISTRICT

6606 MAIN ST., UNION IL 60180 • NON-EMERGENCY (815) 923-4488

The Village of Union and the surrounding areas are served by 27 paid on call firefighters. Calls are dispatched through the 911 system, from the McHenry dispatch center to the members of the department. To be "on call" means that the station is not manned 24/7 and that the firefighters respond from home, this is because the call volume and tax base would deem 24/7 coverage as unnecessary and as wasteful spending.

The District has worked diligently the past seven years to upgrade and modernize their vehicles. The District has seven vehicles including a 2013 E-One engine that was purchased new, and a 1991 Pierce that was acquired from McHenry several years ago. These Engines are designed not only for fires but also accidents and medical care. The District also maintains two tanker/tenders, two grass trucks, and a command vehicle.

The District also works hard at improving manpower. The Firefighters are taking advanced courses to improve the skill set of the staff to better reflect the modern needs of the community. Several Firefighters have chosen to take advanced fire classes and others have become cross trained in emergency medical care. With these advanced classes and cross training the District can provide these additional skills at fires, motor vehicle accidents and medical calls. Currently more than half of the members have become EMT's or Paramedics, and the District frequently works with Marengo Rescue any time an emergency arises, in or around Union.

The District holds education as one of the key factors in the success of its operation. Union currently has three firefighter instructors that teach at the state and college level, and one of these three also teaches the EMT and paramedic courses. Union also has four American Heart qualified CPR instructors capable of teaching CPR and basic first aid to anyone in the Marengo-Union area. Having this many different and well qualified instructors in a

District of this size is a very unique situation.

All of this has been accomplished with regulated spending and by utilizing grants and donations. The District continues to improve with a minimal impact on the taxpayers, and the District strives to improve itself and the care it offers without increasing costs.

The District is approximately 19 square miles, was founded in 1937 and became a district in 1958. The District responded to just over 110 calls last year.

Union Fire participates in Thomas Days, the Union Village picnic, Marengo Settlers' Days activities, and hosts an annual Valentines dance each year. To inquire more about becoming a firefighter, or set up a CPR class or to simply learn more about Union fire you can call the District office or find us at www.UFPD.org.

It focuses on adjustment, growth and exploration.

Zion offers flexibility in enrollment. The number of days are a parent's choice. Children may be enrolled in two, three, four or five days, mornings or afternoons or both! Zion's teachers hold a variety of educational degrees ranging from Associates to Masters degrees. Each class has a qualified teacher and an aide.

Our mixed age preschool classroom is a rich and sensitive learning environment that fosters a healthy disposition towards learning by respecting the learning needs of all group members. Children can teach and learn from each other in a family-like relationship based classroom. Teachers have the opportunity to develop closer more long-term relationships with the children in their care.

Our Curriculum is on a two year cycle providing a wide range and variety of activities. The program is based on weekly units and each unit includes a letter, sounds, math concepts, science, and a Bible story. Field Trips and special activities round out the year.

Preschoolers that need full time care may come as early as 6:30am or stay as late as 6:00pm. Everyone is welcome to enroll at Zion and become part of our preschool family.

Colleen Helfers, Managing Director

Celebrating Service to the Community for over 45 years

Chamber of Commerce

In October, 1970 a group of Marengo business owners incorporated the Marengo-Union Chamber of Commerce. Their purpose was to create an organization with a strong credible voice that speaks out on behalf of business and industry. As a Chamber they were able to shape their community by participating in projects and special task groups which applied business-oriented solutions to community concerns.

As a coalition of area businesses, industries, organizations and professionals they pooled their resources to improve the economic, civic, and cultural climate of the Marengo-Union community.

46 years later the Chamber's purpose is much the same. As an advocate and service organization for business, it provides a venue through which business professionals can take effective action for the progress and growth of their communities.

When the Chamber celebrated its 40th anniversary, members filled a time capsule with memorabilia representing their businesses and the community. The capsule is buried in Indian Oaks Park and will be reopened in the year 2050.

Marengo Society for Historic Preservation - Preserving the Past to Enhance the Future

EXCERPT FROM ... MARENGO 175 YEARS – 1835, Page 10

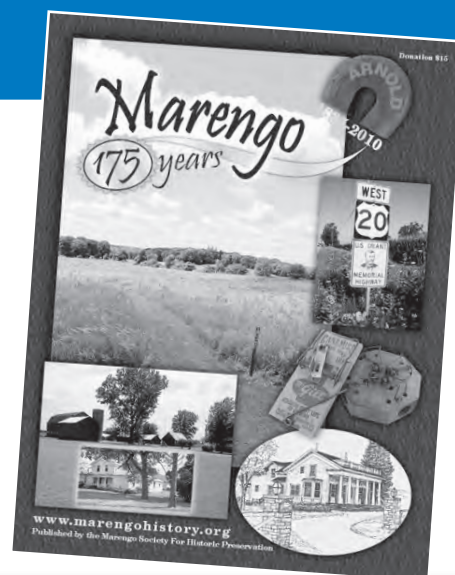

"LET THERE BE LIGHT!, BY RUDY HUSFELDT

The Elgin Military Band and other entertainment were on hand, there was a street dance and a general night of entertainment. Electric street lights were lit for the first time in Marengo's history on September 11, 1914. Thirty large 400-candlepower lights were lit on State Street. The event was sponsored by the city leaders along with the newly-organized Commercial Club. Prior to this date, gas lights were used sparingly to illuminate the "loop". Kerosene-burning lamps were also used and were installed at the corner of each downtown intersection. Of course, strong winds extinguished the sputtering flames and as a result, the entire business area was in complete darkness, necessitating the hiring of a night policeman to patrol the main streets. The police force prior to 1914, consisted of two men, a daytime officer and a night merchant patrolman. There was an 8 p.m. curfew in effect and all business houses were closed at 10 p.m. The few that didn't adhere to these ordinances were hauled into court and fined or, at least, reprimanded."

If you are interested in learning more about Marengo's colorful history pick up a copy of The Marengo Society for Historic Preservation's **Marengo 175 years –1835-2010**. Filled with personal accounts of local residents and stories passed down of their families' experiences during the 1862 tornado or celebrations of the Christmas holidays in 1940. Read about floods; stage coach rides to Galena and the entertainment at Shady Lane. Learn about the Marengo's Gold Star service men and what life was like growing up here. Copies are available for a donation of \$15 at Brandt's Pharmacy.

The society also presents Marengo Area Historic Building Notecards. Available at Brandt's Pharmacy. Featuring Pen and Ink drawings by Cindy Miller. All proceeds benefit the MSHP.

Three District sites are located in the Marengo-Union area:

Coral Woods - 7400 Somerset, Marengo: Best known for its sugar maple forest, this 775-acre conservation area hosts the District's annual Festival of the Sugar Maples event each March. Spring wildflowers and striking fall colors make this a favorite spot for hikers along the three miles of looped nature trails.

Marengo Ridge - 2411 N IL Route 23, Marengo: This 818-acre site boasts acres of oak and hickory woodlands. The tent and RV sites located in Thomas Woods Campgrounds make this a popular site. Hikers and cross-country skiers can also explore the five miles of trails that wind through the woods.

H.U.M. Trail: This 3.5 mile currently runs from East St. in Marengo to Vine St. in Union, connecting the two communities and perfect for hikers and cyclists. Trail head is 1 block NE of Rt. 20 on Prospect St. behind Marengo Middle School.
