Featured Chamber Member of the Month - May 2018

Sullivan's Foods

John Sullivan's motto was "Always reinvest back into the community" John and June Sullivan started their very first grocery store in September 1967 in the small town of Savana, Illinois. John was fresh out of the Army, cleaning a local meat department at a grocery store, with a growing family to feed when the idea hit him that he could accommodate his small town if he opened up a grocery store himself.

Presently there are 11 Sullivan's Grocery Stores in Illinois. Sullivan's is currently run by the children and grandchildren of John & June. Sullivan's grocery prefers towns with less than 10,000 people. This is where they have found that they can offer the most benefit to these smaller rural areas, helping to promote local shopping.

Scott Jacobson is the Manager at our hometown store. He has been in the grocery business since high school, starting as a bag boy at Eagle Food Stores and then joining Sullivan's in 1994. He has been instrumental in the success of Marengo's Sullivan's, which opened in the Fall of 2013.

Currently our hometown Sullivan's employs more than 60 people, is 28,000 square feet and offers a great variety of products. Also available for your convenience is fax services, money orders, postage, garbage waste stickers, hunting and fishing licenses, movies, ATM, lottery, water refills, firewood, mulch, flowers, lawn and garden products.

Grocery stores sales fluctuate with holidays and as everyone knows weather. You may see more items on sale during their busiest times, such as Thanksgiving, Christmas, and 4th of July. Other unique sales Sullivan's offer are the Meat Sale and Lobster Fest.

From fresh cut meat to personalized cake decorating, each department works as a well-oiled machine. When you walk into the Marengo store, you are greeted with fresh produce and the smell of the rotisserie chicken, which are basted and cooked right on site. The deli department offers a variety of products including Sully's own Potato and Macaroni Salad. June Sullivan's original recipe of her variety of potato salad is still being produce today, with the same ingredients June used in the 1960's. The macaroni salad is the original recipe of Kathy, daughter to John and June. Also available in the deli area is a full salad bar, a hot lunch and dinner bar for that quick meal. An average of 216 rotisserie chickens are bought from the Marengo store each week, they can bake 24 chickens at a time and each batch takes approximately two and a half hours to cook.

If you're craving sweetness, the bakery has freshly made cakes, donuts, cookies, and pies to satisfy any sweet tooth. Say you want to cook out on the grill or make a nice Sunday dinner; you will want to stop by the meat department. The butcher can cut and or order specialized meats, such as fresh shark to accommodate even the pickiest of eaters.

While shopping the aisles and you cannot find that weird ingredient you need, you can always ask to order it. Sullivan's receives shipments every day except Sundays.

Sullivan's in Marengo is deeply involved with the community and the activities it participates in, such as the Boy Scouts food drive, MORE Center food drive, Girl Scout cookie sales and many other community events.

Congratulations to Sullivan's Foods for being the May 2018 Chamber Member of the Month. Their hours are 6 am to 10 pm every day, 7 days a week.
