## Featured Chamber Member of the Month - July 2018

### Marengo Mini Storage

Marengo Mini Storage located at 3813 N. Route 23, Marengo, was the first storage facility in Marengo established in 1989. It was established by the owners Vernon W. Kays, Jr of Marengo, William J. Kline of Woodstock and David Georgi of Woodstock. The initial set of units housed 36 units and after two years a need was determined to add a second building bringing the total number of units to 72.

We offer units to individuals and business with long or short term rentals with 24 hour access. Our rates are currently the lowest in the Marengo / Union area. The rents range from \$35 - \$75 based on the size and we also offer the 2<sup>nd</sup> full month of rent for free. We have 5x10, 10x10, 10x15 and 10x20 units available with the lock built directly into the doors.

Over the years of being in business, we have provided support to the community in many areas. We are dedicated to providing our customers with friendly service. You can count on us to provide courteous, professional service to meet your storage needs.

In January 2018, we ordered, and paid, for 25 Monet Rocking Chairs for our **2018 Summer Art Exhibit & Auction**. These were scheduled for March delivery. Our initial plan was to have the rocking chairs painted and ready to showcase by Memorial Day. On May 16th, we received 5 rocking chairs with the balance to be shipping that week.

On June 7th with no indication of when the balance would be received, we made the decision to offer an **Adirondack Chair as a substitute** for those who would still like to participate.

The chairs will be available on a first come first serve basis for a sponsor fee of \$50.00. If you would like to participate, please give us a call at 815-568-6680 or send us an email. Our hope is to begin the auction on or around the week of July 16th. Thank you for your understanding.
