McHenry County Senate
Republicans Deliver a Combined
20,000 Valentines to Seniors

In the days leading up to Valentine's Day, the four Senate Republicans that represent portions of McHenry County delivered a combined 20,000 valentines to seniors living in nursing homes, assisted and memory care centers, and long-term care facilities. Between Senators Don DeWitte, Dan McConchie, Dave Syverson, and myself, we delivered valentines to 91 different facilities (McHenry, Lake, Kane, DuPage, suburban Cook), providing smiles to thousands of seniors. The program was part of the Illinois Senate Republican Caucus' third annual "Valentines for Seniors" program.
